## TCC AI & CYBERSECURITY SUMMIT

### Secure Your Future

As part of Cybersecurity Awareness Month, we are excited to present a summit focused on the intersection of AI and Cybersecurity. Designed to expand your knowledge and engage with industry experts. Learn from experts, explore emerging trends, and discover how AI is shaping the future of business security. Indulge in stimulating discussions, network with fellow enthusiasts, and earn Credential Badges as you delve into topics shaping tomorrow.

### Topics

- AI: Imperfect Predictions to Defend Today and Secure Tomorrow
- Future of AI in Cybersecurity
- The Evolving Role of AI in Cyber
- Ethics in AI and Data Privacy
- Leveraging AI for Business Security
